

Notice to Commercial Customers - 2019-20 Schedule and Rate Structure

Marine Atlantic's 2019-20 schedule is now available. The new schedule, which covers the period April 1, 2019, to March 31, 2020, provides for the popular overnight and morning crossings, and dedicated commercial and restricted crossings to facilitate the transport of goods to and from Newfoundland and Labrador.

Effective April 1, commercial vehicle rates will increase by 2 per cent. There will be no increase to the passenger tariff, drop trailer management fee, security fee or fuel surcharge.

As an arm's length Crown Corporation, Marine Atlantic makes decisions based upon its budgets and the cost of doing business. The annual budgetary process takes into consideration revenues, expenditures and cost recovery requirements which identify the rate structure for the coming year.

Commercial rates will be increasing by two per cent recognizing the fact that a significant portion of year-round operating expenses are designated to meet the specific requirements of our commercial industry.
