

“I want to work in a dimly-lit office,”
said no one ever.

Certified Engine Room Assistants

As part of the Marine Atlantic team, you will participate in a variety of ongoing training programs and development opportunities to navigate your career and chart your course for success. We provide a positive and inclusive work culture that is dedicated to creating an environment which promotes employee growth, career development, and job satisfaction. Some benefits of working with Marine Atlantic include competitive salaries, defined benefit pension plan, comprehensive health benefit packages, and professional development opportunities. Come experience the pride of working with an organization with newly constructed and revitalized infrastructure that has positioned itself for the future.

Marine Atlantic is currently looking for **Certified Engine Room Assistants** to work onboard our vessels that operate from the ports of Port aux Basques NL and North Sydney NS year-round; and Argentia NL during the summer season. These positions are permanent, spare and relief positions that are scheduled across our fleet and each tour based on operational requirements. The term spare and relief means that there is no guarantee of the amount of working hours for the incumbent.

Key Areas of Responsibility

- Keeping all machinery spaces and equipment clean and free of hazards to ensure a safe working environment
- Understanding the tasks to safely discharge or receive fuel, lube and dirty oils; and in handling engine room chemicals
- Performing all watchkeeping duties assigned, standing fire watches, and becoming familiar with the layout of the vessel
- Performing or assisting in all maintenance activities
- Maintaining good mechanical skills and judgment, with the ability to follow written and oral instructions
- Working diligently to promote a safe working environment.
- Assisting in the accomplishment of vessel functions by performing other related duties as required

What qualifications do I need to be considered for this opportunity?

Education, Certification and Experience

- High School or GED

AND

- 4th Class Motorship **OR** Engine Room Rating
- Valid STCW 6.1 and 6.2 Certificates
- Transport Canada mandated Marine Medical Examination
- 1 year of relevant work experience

Additional Qualifications

- Ability to lift, handle, and carry heavy objects up to 22.3 kg
- Ability to work in confined spaces

Asset qualifications

- Passenger Safety Management
- Marine Basic First Aid
- Confined Space Certification
- Work Experience as a Diesel Mechanic, Heavy Duty Mechanic, Machinist, Pipe-Fitter, Engine Fitter, or Small Diesel Repair

Hourly Rate: \$27.272

Marine Atlantic's Tour Pattern

There is a monthly tour pattern for regularly assigned positions of 15 days on and 15 days off, normally commencing the 1st and 15th of each month. As new spare and relief employee, you will be called for work in accordance with operational requirements; therefore, you may be required to work in intervals throughout both tours (i.e. one month) in order to obtain 15 days of work. Please note, you may be called to work fewer than or in excess of 15 days per month should it be operationally required.

The Marine Atlantic Team

Our employees embody our core values; they are diverse safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

Please note: This position is designated as a safety sensitive position and is subject to the provisions of Marine Atlantic's Drug and Alcohol Policy which includes, but not limited to pre-employment testing. We have a zero-tolerance policy for alcohol, cannabis, and illicit drugs.

How do you become part of the team?

If you meet the listed qualifications, are interested in this opportunity and exemplify our core values, please apply online.

All applicants must apply online:
