Junior Engineers

***\$5000 signing incentive available
and update rate of pay**

As part of the Marine Atlantic team, you will participate in a variety of ongoing training programs and development opportunities to navigate your career and chart your course for success. We provide a positive and inclusive work culture that is dedicated to creating an environment which promotes employee growth, career development, and job satisfaction. Some benefits of working with Marine Atlantic include competitive salaries, defined benefit pension plan, comprehensive health benefit packages, and professional development opportunities. Come experience the pride of working with an organization with newly constructed and revitalized infrastructure that has positioned itself for the future.

Marine Atlantic is currently looking for **Junior Engineers** to work onboard our vessels that operate from the ports of Port aux Basques NL and North Sydney NS year- round; and Argentic NL during the summer season. These positions are permanent full-time spare and relief positions that are scheduled across our fleet and each tour based on operational requirements.

*Marine Atlantic is prepared to offer successful candidates a \$5,000.00 signing incentive in return for one year return of service in the Junior Engineer position. Candidates who choose to leave the company before the completion of the 1 year of return for service, must reimburse the company the balance of the \$5,000.00 signing incentive on a pro rata basis.

Reporting directly to the Chief Engineer and supervised by the Senior Engineer of the Watch, the Junior Engineer carries out watchkeeping duties in the Engine Room. This position must be familiar with the operation of our vessel's machinery and have a full understanding of boilers, pumping systems, refueling procedures, hydraulics, thermodynamics, refrigeration, and air conditioning. The Junior Engineer is required to assist in performing preventative maintenance and, under the direction of the Second Engineer, carry out corrective maintenance duties as assigned.

With a focus on safety and the environment, this position is required to perform or assist in all maintenance activities, show good mechanical skills and judgment, and have the ability to follow written and oral instructions.

- Propulsion Plant Simulator Certificate I
- STCW 6.1 & 6.2
- Valid Transport Canada Marine Medical Examination
- Proficiency in Survival Craft
- Ability to work in confined spaces

Assets Qualifications

- Passenger Safety Management
- Marine Advanced First Aid
- Confined Space Certification

Hourly rate: \$34.890

Marine Atlantic's Tour Pattern

There is a monthly tour pattern for regularly assigned positions of 15 days on and 15 days off, normally commencing the 1st and 15th of each month. As a new employee, you will be called for work in accordance with operational

requirements; therefore, you may be required to work in intervals throughout both tours (i.e. one month) in order to obtain 15 days of work. Please note, you may be called to work in excess of 15 days per month should it be operationally required.

The Marine Atlantic Team

Our diverse group of employees embody our core values; they are safety oriented team-players who exhibit integrity and commitment, and always strive for excellence. Their understanding and commitment to our values make our employees an invaluable part of our organization.

How do I apply for this opportunity?

If you meet the listed qualifications, are interested in this opportunity and exemplify our core values, please apply online.
